**Supporting refugees and asylum
seekers in Bristol**

OUR STORY

SUPPORTING REFUGEES & ASYLUM SEEKERS SINCE 2011

Borderlands was founded following a long history of the parish at St. Nicholas of Tolentino RC Church providing support to the local community in need. By the relationships established between the parish and those seeking refuge over a number of years we were able to identify the needs of those seeking asylum and plan the best way to respond. This resulted in the formation of Borderlands.

We believe that people should be able to seek sanctuary, safety and justice, where they can make full use of their talents and abilities, feel valued for their contribution to their community, and build worthwhile lives.
